Additional Party Package Notes

Party packages allow guests to bring in their own food, cake, decorations, and other non-alcoholic drinks. However, please note that all food must come from a licensed establishment.

No confetti is permitted on the property. Unfortunately, we are unable to provide ice and coolers for private parties. You are welcome to bring in your own. Blue Cork will happily host your event anytime during our normal operating hours. For our full wine list, as well as our visiting policies and F.A.Qs, please visit www.bluecorkwine.com

To help enhance your special day, and to guard against inclement weather, we offer rental of our on-premises tents, equipped with string lights (Please see pricing listed under our "Optional Additional Fees"). Should guests wish to rent a tent of another size or purchase additional tent/party accessories, they are welcome to do so through a licensed outside vendor. However, guests must notify Blue Cork of any outside rentals so that set-up and breakdown arrangements can be made.

No outside alcohol is permitted on the premises.

Reservations are nonrefundable. All parties will continue to run in our outdoor space even in instances of light to moderate wind and rain. In the event that weather conditions are deemed unsafe, guests will be given the opportunity to reschedule.

**Please be advised sales tax is not included in this price list. New Jersey sales tax will be applied to your bill.
